What Do School Councils Do? www.ocdsb.ca

“The main purpose of school councils is to work towards the improvement of student achievement and to enhance communication between the school and the school community. This is accomplished by making recommendations to your school principal and the school district on significant education issues, and by planning activities that support the active participation of parents/guardians and your school community.”

ACTION ITEM SUMMARY FROM OCTOBER 2019 MEETING

ACTION ITEMS	PRIME	UPDATE
Consider Council Constitution as homework	All	Neil and Bahaa will discuss during the December meeting as they are still gathering their proposed edits and comments.
